9. (Unclassified - GLC) Received a call from Miss Shirley Puishis, in the district office of Representative Floyd V. Hicks (D., Wash.) in Tacoma, Washington. Miss Puishis said she had been referred to our office on their request for an Agency representative to talk with members of the Orting High School about the Agency. She said they had contacted the Agency's office in [redacted] and had been told that they gave talks to adult groups but not to students. I told her we really weren't set up to give talks of this type in any great numbers either to adults or students and regretted that we could not be of assistance to her. I explained the situation and she seemed to understand. She then asked if we had any literature on the Agency and I promised to send her a package of the material.

10. (Unclassified - LLM) Returned the call of Mrs. Wahler, in the office of Representative Bill Young (R., Fla.), and in response to her query said that former employee [redacted] may wish to write to the Director concerning his separation from the Agency. Mr. Warner, OGC, and Mr. Fisher, OP, concurred in this approach.
